

Referral Program

We are always looking for experienced, licensed therapists for our available offices in any of our locations, or via Telehealth. We offer a referral bonus for any therapist who sends us a candidate that signs a contract with us. You will receive \$100 after they sign a contract, and \$400 once they have actively seen patients for 3 months.

All referrals will go through the usual vetting and interview process. They can send a resume directly to contact@familyguidancecenters.com.
